Extra fees and discounts.

Cancelling a section within 24 hours implies a fee equal to 100% of the charges on the hours that are not eventually re-booked by another user.

Will be not applied any discount rate but on the contrary will be applied a double rate fee to not facility authorized bookings that are not respecting the booking rules

Training are costing 20€ per training, per person + the extra prize of 6 x20 € (for each hour used within one month 20€ will be subtracted to the extra fee: using >= 6 hours within 1 Month reduces the training fee to 20€).

Assisted sections: 20€ per hours (when UMIF staff is permanently required for recording images).

Rebate (only out of the peak time):

- Bookings between 5-12 hours will get 30% discount
- Bookings between 12-24 hours will get 40% discount
- Bookings >24 hours will get 50% discount

On these rebates is not included the **Olympus widefield and the Sysmex slide scanner** microscope
